SIR,

Subject :—

I have the honor to state that in the meeting of the Sub-Division Officers and Amildars held in this office on the afternoon of the 15th instant for discussing the measures to be adopted for the correct preparation of the voters' lists in connection with the ensuing District Board elections it was incidentally suggested that a sum of 3(three) annas per village in the case of both -- Representative Assembly and Legislative Council elections may be given to shanbhogs as stationery expenditure for the preparation of voters lists. It is no doubt true that the work involves labour and expense on the part of the Shanbhogs and it is but right that they should be reimbursed. The rate proposed is also reasonable. I request that sanction of Government may be accorded for the expenditure in question and suitable orders providing funds may be passed.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
